

ROVERS INTERNATIONAL

Service Corps

Mentoring/Leadership Program

ages 13-17

Service Corps is a year-round program offering teens the opportunity to contribute to both the soccer-community and the community at-large.

Members can participate in activities on a seasonal basis or year-round. Participants observe role models, while serving as role models, themselves...they develop their soccer knowledge and gain skills for imparting what they learn to younger children.

Underlying all Service Corps experiences is the expectation of a growing sense of gratitude and humility.

Service Corps has been developed in accordance with the **RISC** (Rovers International Soccer Camp) ethic.
